

MAXXTER

Caricabatterie per telefono wireless, 10 W

ACT-WPC10-01

- Qi (say Tschì) is the Chinese word for life energy. The Qi induction charging technology enables wireless charging of smartphones and tablets. Because you only have to place your mobile phone on a pad for charging with Qi, it prevents the phone's charging port from wear and tear. Because Qi is a standardized system, the charging pad and the mobile phone do not have to be from the same manufacturer. This way any Qi charger will be compatible with a variety of different mobile phones. And all of that without a messy cable spaghetti.
- Please check the user manual of your smartphone to find out if it is Qi-compliant.

Caratteristiche

- Pad caricatore per telefono Qi wireless compatto (10 W)
- Supporta la ricarica wireless veloce
- Compatibile con tutti i dispositivi certificati Qi, inclusi diversi modelli Samsung Galaxy S, gli ultimi modelli di iPhone e molti altri modelli di telefoni di marche diverse. Per un elenco completo, controlla online
- Richiede un adattatore di alimentazione USB compatibile (non incluso)

Packaging

Quantità per cartone, pezzi	72
Volume del cartone, CUM	0.04059
Peso del cartone, Kg	8.22
Individual package size LxWxH:	185x125x25 mm
Carton size LxWxH:	410x360x275 mm
Paese di origine	CN
Barcode	8716309110273
Customs code	8504405590

Contenuto della Confezione

Wireless charger
USB AM to Micro-USB cable, 30 cm

Specifiche Tecniche

Input: 5V/2A, or 9V/1.67A
Output: 5V 1A, or 9V/1.1A
Rated power: max. 10 W
